

I WANT TO SHARE WITH YOU ALL.

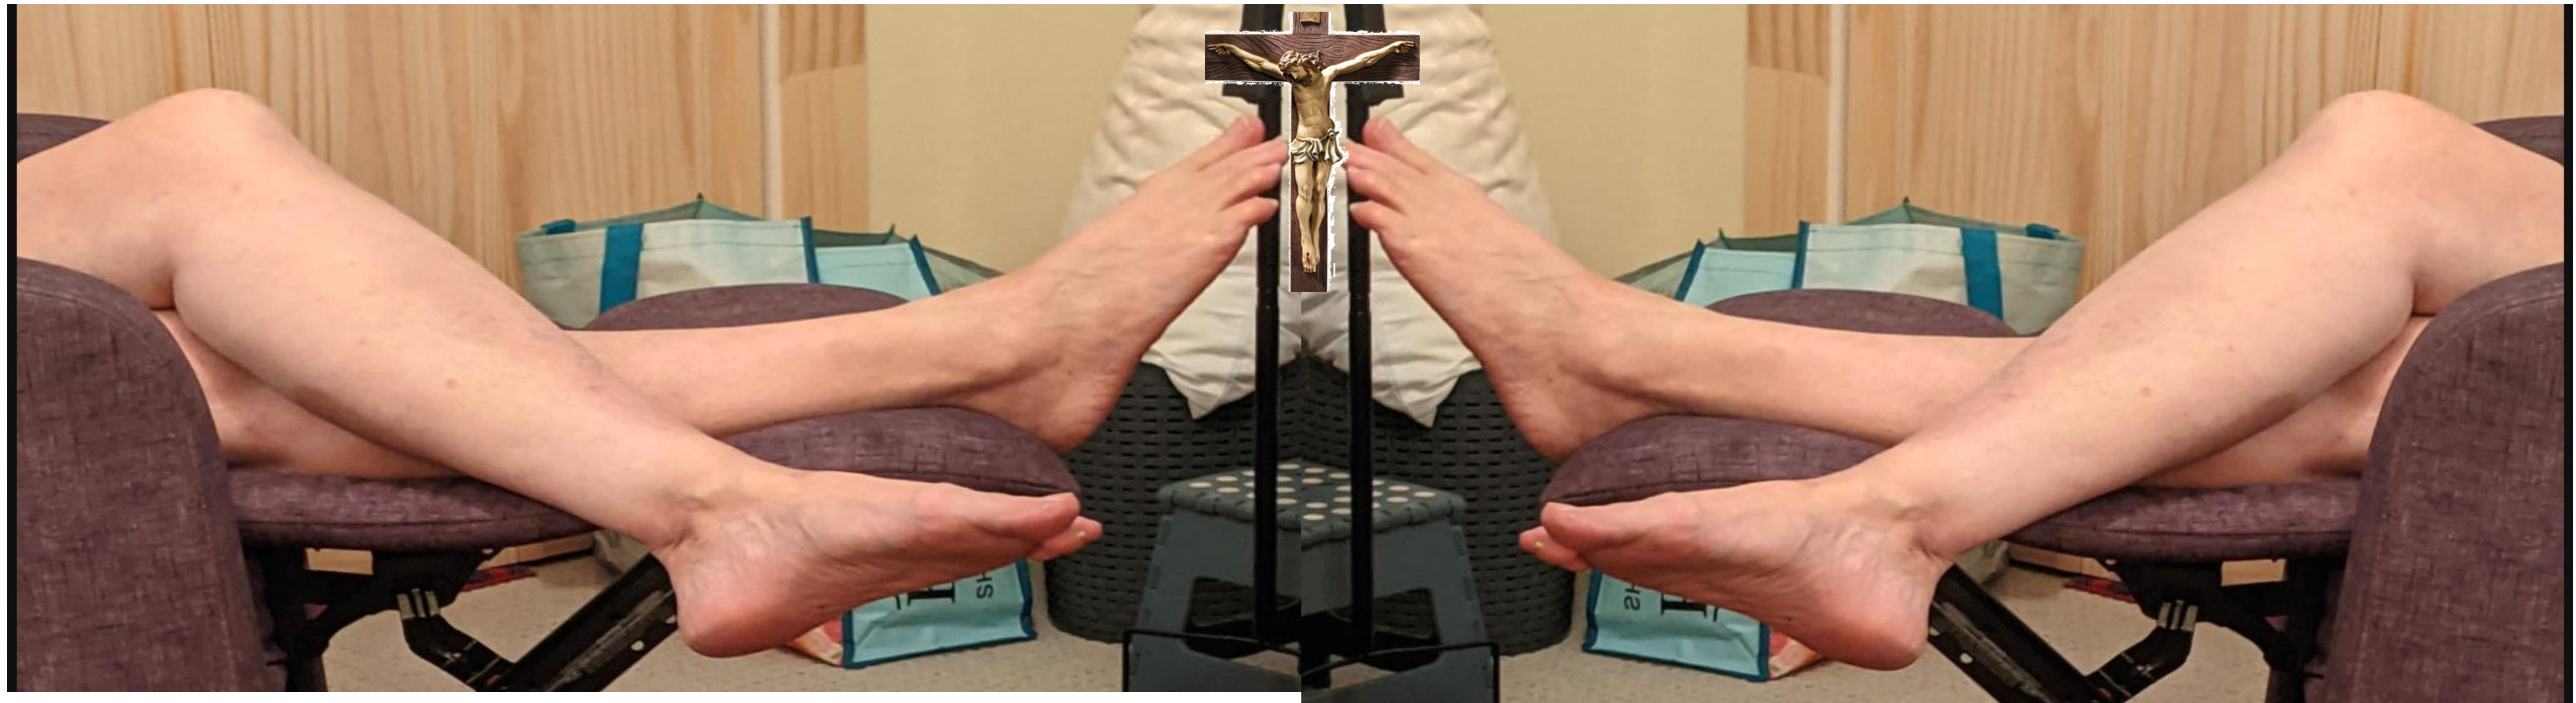

This is the demon that enticed me, and seduced me slowly and methodically into Lucifer worship and slavery.

Look at her nose, it's a fucking cock.

This fuck cross was the first image she had me get on my knees to piss and cum on. I never felt such a thrill which reverberated completely through me.

Her training allowed me to become a personal slave whore to Lucifer himself who finally did possess me in blasphemy sin. I am deeply grateful

In the middle east it is a serious offense and insult to show the bottom of your shoes or feet to another.
That makes it a perfect fucking disgrace to the fuck whore cross of Christ as shown below. (Yes, these are Jen's legs.)

DISGRACING THE FUCKING CROSS AND THE FUCKING LORD FUCKING GOD'S FUCK NAME

The Fucking Bastard under my fucking feet

**WE LOVE AND ADORE SIN AND FILTH AND
